TRANSMITTAL LETTER

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

We are enclosing a Substitute Sequence Listing for that filed September 29, 1998. We are also filing a computer readable copy of the Sequence Listing and a Statement of Patrick J. Farley, Ph.D. asserting that the computer readable copy and the printed copy are the same.

We also note several typographical errors which have been corrected in this Substitute Sequence Listing. No new matter has been added.

We look forward to an action on the merits, and prompt allowance of the claims.

Respectfully submitted,

Austin R. Miller
